

Covenant Preparatory Classical School – Curriculum Map: 6th Grade

Subject	Quarter 1	Quarter 2	Quarter 3	Quarter 4
Reading/Literature	Literature: <i>Rifles for Watie</i> Out Loud Class Reading: <i>The Yearling</i>	Literature: <i>White Fang</i> Out Loud Class Reading: <i>The Yearling</i>	Literature: <i>The Wright Brothers: Pioneers of American Aviation, Sergeant York and the Great War</i> Out Loud Class Reading: <i>The Yearling</i>	Literature: <i>The Hiding Place, Basher 52</i> Out Loud Class Reading: <i>The Yearling</i>
Writing/Grammar/Spelling <i>Composition I: Invention and Persuasion</i>	Creative Writing Exercise – Finish the Story Reading Images & Advertisements (Photojournalist), Style, Dictation & Revision, Reading Sentences: Knowing the Subject, Sentences: Creating Images, Using Adverbs to Answer Important Questions, Comparative & Critical Reading, Paragraphs, Creating Focus, Transitions, Evaluating Paragraphs	Creative Writing Editing, Reading an Essay, Story Elements, Reading Comprehension, Writing Notes, Margin Notes Story Elements, Parallel Sentences,	Essay Writing To Be Updated	Essay Writing To Be Updated
Math <i>Saxon Math 8/7</i>	Lessons 1-25 Properties of Operations, Missing Numbers, Number Line, Place Value, Factors, Divisibility, Lines & Angles, Fractions & Percents, Fractions, Reciprocals, Combining & Separating,	Lessons 26-55 Multiplying & Dividing Mixed Numbers, Multiples, LCM, Estimating, Common Denominators, Coordinate Plane, Metric System, Comparing Decimals, Ratio, Simple Probability, Area of a	Lessons 56-80 Negative Exponents, Line Symmetry, Adding Integers, Classifying Quadrilaterals, Area of a Parallelogram, Classifying Triangles, Adding Signed Numbers, Ratio Problems, Circumferences	Lessons 81-120 Area of a Circle, Multiplying powers of 10, Algebraic Terms, Number Families, Multiple Unit Multipliers, Diagonals, Interior Angles, Exterior Angles, Mixed-Number

	Equivalent Fractions, US Customary System, Measuring Angles with a Protractor, Polygons, Perimeter, Exponents, Prime & Composite Numbers, Reducing Fractions	Triangle, Interpreting Graphs, Proportions, Stem and Leaf Plots, Box and Whisker Plots, Using Formulas, Distributive Property, Repeating Decimals, Converting, Unit Price, Rates, Sales Tax, Powers of 10, Unit Multipliers and Unit Conversion, Creating Graphs, Scientific Notation, Order of Operations	and Pi, Geometric Solids, Algebraic Addition, Volume, Implied Ratios, Area of a Complex Figure, Graphing Inequalities, Quantitative Comparisons, Transformations	Coefficient, Percent of Change, Two-Step Equations and Inequalities, Compound Probability, Volume of a Right Solid, Estimating Angle Measures, Scale, Pythagorean Theorem, Estimating Square Roots, Transversals, Slope, Simple Interest & Compound Interest, Dividing in Scientific Notation, Volume of Pyramids, Cones, Spheres, Graphing Linear Inequalities, Slope Intercept Form, Copying Angles and Triangles, Division by Zero, Graphing Nonlinear Equations
Science <i>God's Design for Heaven & Earth</i>	Weather/Atmosphere: Incorporating data collection and graphing At-home labs with experiments	Oceans: Incorporating report writing At-home labs with experiments	Space/Solar System: Incorporating compare and contrast At-home labs with experiments	Earth: Origins, rocks & minerals, mountains & movement, water & erosion: Incorporating Lab procedures Soil Study
Bible <i>Show Me Thy Ways</i> <i>Intertestamental-Acts</i>	Lessons 1-30 Intertestamental Period History, Maccabees, Introduction of Pharisees & Sadducees, John the Baptist, Nativity, Baptism, Temptation of Christ, Early Ministry, Miracles, Sermon on the Mount Isaiah 53 Memorization	Lessons 31-55 Parables, Miracles, John the Baptist Beheaded, Preaching, Transfiguration, Mary & Martha Reformation Study: Luther, 5 Solas, Tyndale & Knox Christmas Study: Nativity, Christmas Poetry	Lessons 56-81 Lazarus raised, "I Am" statements, more parables and preaching, entering Jerusalem, Passion Week, Gethsemane, Trial Crucifixion, Wonders at Jesus' Death, Resurrection and Appearances, Ascension Isaiah 53 Memorization	Lessons 82-102 Pentecost, Early Church, Stephen, Saul's Conversion, Peter, Persecution in Antioch, Missionary Journeys, Paul with Felix/Festus/Agrippa, Shipwreck, Paul in Rome Isaiah 53 Memorization

		Isaiah 53 Memorization		
History <i>Veritas Press: U.S. History - 1815-Present</i>	Monroe Doctrine through Trail of Tears Analysis of primary sources, mapping, short reports, gallery walks, creative projects, escape room activity, discussion, handouts	Mexican/American War through Civil War	Transcontinental Railroad through Immigration	Wright Brothers & Other Inventors through Modern Day America Final Project Timeline of all Events
Latin <i>Picta Dicta - Volume 2, Lessons 45-60</i>	3rd- Declension Nouns in the -es, -or, Stem Changes, 3 rd -Declension Nouns in the -er	3 rd -Declension Nouns in -ons, Infinitive Verbs, 4 th Declension Nouns in Nominative and Ablative	4 th Declension Nouns in Accusative, Dative, Genitive; 5 th Declension Nouns in Nominative	5 th Declension Nouns in Ablative, Accusative, Dative, Genitive
Art	Elements of Art, Rembrandt, Munch, Wood, Modern American Art	Elements of Art, Rembrandt, Munch, Wood, Modern American Art	Elements of Art, Rembrandt, Munch, Wood, Modern American Art	Elements of Art, Rembrandt, Munch, Wood, Modern American Art
Music	Strings Choral Singing	Strings Choral Singing	Strings Choral Singing	Strings Choral Singing
